

*KIDS CREATIVE CARE PARENT'S PERMISSION TO
APPLY SUNSCREEN TO CHILD*

NAME OF CHILD _____

As parents of the above child/children, I give my permission for Kids Creative Care to apply sunscreen to my child when he/she will be playing outside during the warm months of June-August. I understand that I will be responsible for bringing in a labeled bottle of sunscreen to the center, I understand that there will be no sharing of the sunscreen with any other child. I am aware that I need to apply sunscreen to my child by arrival time. KCC will reapply sunscreen in the afternoon. Thank you!
